Nephew of D.A. One of 3 Held In Bookie Raid

That family ties are not binding in the statewide war on horse race bookmakers was proved in San Mateo County Monday when Dist. Atty. Gilbert D. Ferrell announced he would prosecute his nephew, Dent Fairless, to the full extent of the law.

Fairless and two others were arrested by the sheriff's office in a spectacular raid Saturday afternoon at Bert's Place, located on El Camino Real between Redwood City and Atherton. About 20 patrons fled from the place as deputy sheriffs battered down the doors.

Fairless, 29, owner of the establishment, and Walter T. Noble, 40, a clerk, hurriedly concealed cash and racing forms while the officers sought to gain admission, but Undersheriff Lawrence Nieri watched them through a window and recovered the hidden materials.

Equipment seized
On Fairless, Nieri found \$102.77. Noble had \$80.85 stuffed in his pockets. Only \$7.50 remained in the cash drawer. The officers confiscated scratch sheets on Tanforan and Fairground (New Orleans) races, telephones, loud-speaker equipment, charts and other equipment.

With Nieri on the raid were Deputies Walter Moore and Thomas F. Maloney.

Simultaneously Sheriff J. J. McGrath and Deputies Eugene

Anniversary To Be Feted

A year's successful business in their ultra-modern super market at 2644 Broadway is being celebrated

JOSEPH R. TERRITO

brated this weekend by Territo's Super Market.

Joseph R. Territo, proprietor, who also is president of the Redwood City Chamber of Commerce, announced yesterday that in honor of the event, special values would be offered in all departments of the big store. Full details of the first anniversary celebration will be found in this newspaper in a full-page advertisement.

Although Territo's have been in this location only a year, the firm is one of Redwood City's old-timers by now, having been established by Territo eight years ago a half block away on Broadway.

Cerqui and Adolph Waldeck raided a garage in the rear of a highway inn operated by George Fabbro at 2915 El Camino Real. The sheriff said the place was not operating at the time, but he confiscated a quantity of equipment including an electric time-registering machine, a loudspeaker, telephones, odds boards, and coin boxes.

Only person on the premises was Del Kennedy, 536 Iris St., Redwood City, who told the sheriff he was a janitor.

'LOOKOUT' ARRESTED
It was apparent, the sheriff said, that both places were equipped to receive racing information and that the information was reaching the bookmaking room adjacent to Bert's Place. This despite a campaign by Atty. Gen. Earl Warren to stop telephone service to bookmakers.

Arrested with Fairless and Noble was 22-year-old George Zehender Jr., a student, who was "lookout" for the place according to Nieri. All three were released on \$250 bail bond two hours after their arrest.

Noble formerly was manager of one Redwood City retail store and later clerk of another.

'Outstanding' Citizen Again To Win Award

Again next month, as in the past four Januaries, some Redwood City resident will be designated as this community's outstanding citizen for the year just closed.

This was announced here by Harry C. Day, 1225 Harrison Ave., appointed by Redwood City Post 105, American Legion, as committee member in charge of the selection of a recipient of the Community Service Award, to be given by the Legion with the Redwood City Tribune as co-sponsor.

Letters have been sent to a number of civic organizations asking them to designate a member to serve on the board of judges to select the person deemed to have performed "the most outstanding community service" during 1939.

TO BE AT DINNER

Presentation of the award will be made at the annual chamber of commerce dinner Jan. 17.

Nominations for the award may be made later this month on a coupon which will be published in the Tribune. Previous winners have been Capt. L. F. Bosshardt, 1938; Mrs. Mary Winter, 1937; Mrs. Z. T. Thorning, 1936; Mrs. F. M. Perkins, 1935.

Rules for selection of the 1939 award recipient will be as follows:

1. The award is to be presented to the person performing the most outstanding community service during the year of 1939.
2. Such award shall be made for civic, charitable service, or for an act of heroism.
3. This service shall have been performed without personal gain, remuneration, or previous recognition.
4. The winner must be a resident of Redwood City.
5. The recipient of the award shall be selected by a committee of judges who represent non-commercial organizations and whose major objectives are community service.
6. The award shall be made to one person and there shall be no honorable mention.
7. Nominations appearing in the Redwood City Tribune must be in the hands of the sponsors on or before Jan. 6, 1940.
8. In selecting the recipient to receive the award, the judges shall vote by secret ballot and said vote must be in the hands of the sponsors not later than Jan. 3, 1940.
9. The person receiving a majority of all votes cast shall be considered elected unanimously, but should this not be the decision of the canvass, the winner shall be selected by elimination.
10. The judges' decision must be sealed within a sealed envelope, and addressed to the Community Service Award, care of Redwood City Tribune. The votes are to be opened and canvassed

where they will be sorted, repaired if in need of fixing, and arranged for distribution to needy families.

Offers to repair toys have been made by several groups. A boys' club sponsored by the Menokirk Club, and the Falcon Club, an athletic organization, have been working for

in the presence of all judges at a date to be arranged by the sponsors.

11. A judge is permitted to make a nomination, providing he abides by the rules set forth.

12. The names of the judges are to be kept confidential until the hour of the canvass of votes.

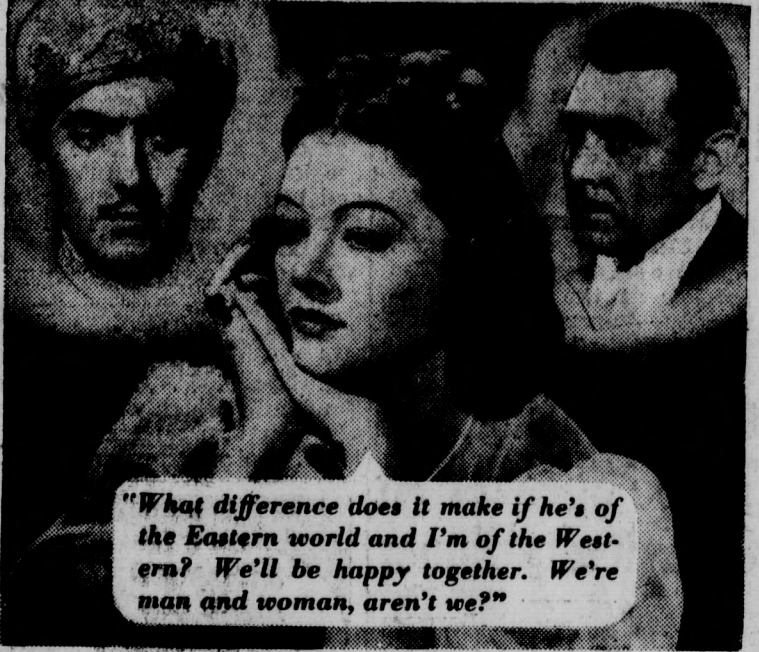

13. It is the intent of the sponsors in drafting the above rules that all phases are covered to assist the judges in selecting the most outstanding citizen during 1939, but should a condition arise not covered in the above paragraphs, no action shall be taken by the judges until such time as the sponsors of the award have made a ruling.

How To Relieve Bronchitis
Bronchitis, acute or chronic, is an inflammatory condition of the mucous membrane lining the bronchial tubes. Creomulsion goes right to the seat of the trouble to loosen germ laden phlegm, increase secretion and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding that you are to like the way it quickly silences the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

'RAINS CAME' FILM AT REDWOOD

Three great stars head a great cast in a great film. Tyrone Power as the romantic Major Rama Safti; Myrna Loy as the lovely and amorous Lady Esketh; and George Brent as the world-weary Tom Ransome in Darryl F. Zanuck's production of "The Rains Came," the sensationally successful best-seller by Louis Bromfield, now playing at the Redwood Theater with "Torchy Plays with Dynamite."

MANY REQUESTS, FEW GIFTS RECEIVED FOR TOYSTACK

Already requests—by the dozen—are being received for toys to be given to youngsters in needy families this Christmas, but the toys have not yet begun to arrive.

If you have any toys, whether in perfect condition or not, will you give them to the community toy stack, being sponsored this year for the sixth time by the Tribune and the Sequoia (High School) Times?

If so, bring them either to the Tribune office, 30 California St., Redwood City; to Sequoia High School, or to the Central Grammar School. Or, telephone the Tribune (Redwood 2000) and they will be called for.

Arrangements have been made to store the toys in a basement room at the Central School.

FOODSTUFFS NEEDED FOR CHRISTMAS BOXES

Package goods, oranges, apples, and other foodstuffs are needed for Christmas boxes being packed under supervision of the Progressive Hi-Y Club for distribution at Christmas time. Norbert Lambert, leader, said that anyone wishing to contribute may bring the materials to the "depot" at 2621 Broadway or may telephone Redwood 126 (Lambert's office) and a collector will call. Harry Stent is club chairman of the Christmas committee.

WATER HEATER BLAZES
Redwood City firemen were called at 4 p. m. Saturday to the home at 170 Grand St. of James P. Hagan, Bank of America manager, where an automatic water heater had burst into flames, for

some inexplicable reason. Damage was slight.

Arboriculturist Warns County After Survey

Memorial Park, San Mateo County's grove of virgin redwoods and Douglas firs, has been made as safe as it can be under the circumstances—but there is serious doubt whether camping or other intensive public use should be permitted under the big trees.

Ronald Campbell, county planning engineer, disclosed Monday that about \$1000 has been spent in the park to fell, trim, and top trees regarded as unsafe. Leslie S. Mayne, Burlingame arboriculturist retained to survey the park and make safety recommendations, urged spending \$2000 more, but raised the question whether or not it would be policy to permit continued use of camp, picnic and barbecue sites under the trees.

The expenditure and the survey followed the tragedy on June 22 when two giant redwoods fell on the cabins of the YMCA camp at the park, killing one San Francisco boy and injuring three others.

UNSAFE TREES FELLED
Campbell disclosed that WPA workers have felled all trees regarded unsafe in those areas now open for general public use. Additional work would be required, he said, to make safe those other areas not yet open to the public.

Leave of Absence Given City Librarian

A six month's leave of absence in order to permit her to regain her health was granted by the Redwood City Library Board of Trustees Monday to Miss Wilhelmina Harper, city librarian, who has not completely recovered from an illness suffered last summer. During her absence, Miss Doris M. Garcelon, a member of the library staff, will be acting librarian. Following the trustees' meeting, members of the board and the library staff honored Miss Harper with a social period, marked by the serving of refreshments.

some inexplicable reason. Damage was slight.

CHORUS' 'GIFT TO PENINSULA' TO BE EXCEPTIONAL CONCERT

Confidence that the "Christmas gift to the Peninsula" to be presented by the Bel Canto Chorus Tuesday, Dec. 19, in Sequoia High School Auditorium would be one of the finest musical concerts ever heard on the Peninsula was expressed today by leaders of the organization after hearing another rehearsal of the group Tuesday night.

At the same time, as plans were announced to employ a 14-piece professional orchestra to accompany the chorus in its rendering of "The Messiah," clarification of statements made before the city council Monday night was given by Charles G. Lambert and Irving H. Sanborn, president of the chorus.

Lambert, in advocating the use of a symphonic orchestra with the chorus, explained that there was insufficient time left to carry out the original plans for use of the Westbay Symphony Orchestra without adding union musicians; that the rehearsal with an electric organ had not proved satisfactory, and so it was finally deemed necessary to secure an orchestra of symphony members to perfect the presentation of this difficult program.

The grant of additional funds by the city council for this purpose insures to Redwood City an occasion of unusual merit, and should bring credit to the city, and also prove beneficial from an advertising standpoint, besides providing pleasure for those attending," Sanborn declared.

The amount appropriated by the city council is being used to employ the orchestra, the soloists, purchase music for the presentation, pay direction for special rehearsals, and carry other expenses.

Campbell To Head State Planner Body

Ronald Campbell, San Mateo County planning adviser, was elected president of the California Planners' Institute at Bakersfield Saturday. Campbell did not attend the session, but his moving pictures, "Recent Advances in Park and Highway Planning," was exhibited by his assistant, Corwin Mocine.

Campbell succeeds Joseph Melten, Los Angeles regional planning engineer.

New Scout Council For Palo Alto Area

PALO ALTO, Dec. 4.—Formation of a new Boy Scout council composed of the Palo Alto, Stanford, Mountain View and Los Altos districts appeared assured today as the result of action taken by the local district committee at a weekend meeting.

The group decided to form its own council, with details of the plan to be worked out by the executive board and announced this week.

The local district, believing

that administration by an independent council would bring a better grade of scouting to more boys, presented a petition to the Santa Clara County Council. That group agreed to release the territory and the national council approved the change.

Some consideration had been given to formation of a council composed of this district and Southern San Mateo County, but that plan was rejected by national headquarters.

MENLO PARK NEWS

CITY HALL WORK RUSHED
MENLO PARK, Dec. 8.—Work is being rushed on the interior of the new city hall so that the building may be occupied by Christmas. The opening of the headquarters will be an occasion of merriment and speech-making by city officials.

Several flocks of wild pigeons were seen at the Flood Estate this week, the first here this year. The birds cannot be shot as there is no open season. They are protected both by the federal and state governments, why, no one knows. Pigeons are destructive to growing grain and are of no benefit to the community. They are not song birds and don't breed here, so why all this protection?

During the past week large flock of robins arrived from the north to feed upon Toyon berries and red peppers. There is an abundance of the latter but a marked scarcity of the berries. In olden times the farmer considered this a sure sign of a dry season. The old tradition appears to hold good this year for it's the driest we have had in a quarter of a century.

Demolition of the ancient residence of the Church of the Nativity began this week. It is to be replaced with a modern two-story structure to cost in the neighborhood of \$20,000. Father McKeon and his assistants have taken the O'Kane home nearby. Mr. O'Kane will take up his residence at the Olympic Club of which he has been a member for years and of which his father was one of the founders.

Michael Dalton, a pioneer of Menlo Park, was taken this week to a San Mateo hospital suffering from a severe illness. Dalton as a young man was connected with the Stanford stock farm in the heyday of its glory when its horses won world-wide fame.

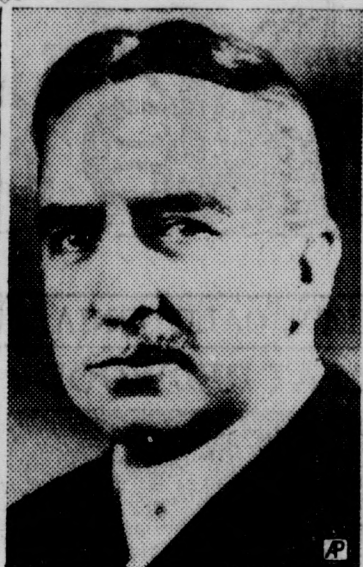

The duck season closed Tuesday after a short and unsuccessful duration. Local hunters were disappointed in the scarcity of birds on the nearby marshes. Old timers attributed this to the fine weather, there being no rain or storms and very little cold weather.

George Nunn returned this week from Palo Alto Hospital where he had been confined for two months. Mr. Nunn is a Menlo Park pioneer with a host of friends on the Peninsula, all of whom were glad to learn of his return to his home fully recovered.

It was rumored that another chain store is coming to town and will occupy the Duff building on Santa Cruz Ave. There are already enough groceries in town to supply all the wants of the people. The more the merrier, however.

Just about Christmas there is to be a pretty wedding in this city at which a winsome miss of Fresno and a popular local young man are to be participants. Full particulars are to be revealed next week.

GUEST SPEAKER

Maj. Gen. David P. Barrows (above), one-time president of the University of California, has been secured as the speaker at the annual community dinner in Redwood City Jan. 17.

General Barrows To Be Speaker At Community Dinner

Dr. David Prescott Barrows, major-general of the 40th Division, United States Army, former president of the University of California and currently a member of the Berkeley school faculty, will be the principal speaker at the annual community dinner Jan. 17, it was announced here.

Dr. Barrows' acceptance of the invitation was revealed to members of the Redwood City Chamber of Commerce board of directors Tuesday by Sam H. Winklebleck, general chairman for the dinner.

Educated at Pomona College, University of California and Columbia University, New York, Dr. Barrows began his career as city superintendent of schools in Manila, P. I.

After rising to the office of director of education for the Philippines, Dr. Barrows came to University of California in 1910 as professor of education. After several changes in position, he became president of the university in 1919 and served until 1923, when he voluntarily demoted himself to the rank of a teacher again to continue his work in that profession.

ON RELIEF COMMISSION
In 1916 he became a member of the Belgian Relief Commission, in charge of food supplies. He took rank as a commander-major of cavalry in that year, and later became a lieutenant-colonel of the United States Cavalry. In 1918 he was on active duty in the Philippines and in Siberia.

In 1921 he was given a commission as brigadier-general of the 79th Infantry, and in 1926 became major-general of the 40th Division. He was elected in 1920 as the first state commander of the California American Legion, from which he resigned in 1933.

Included in his degrees are doctor of laws from Pomona, California, Mills College, University of Bolivia and Catholic University of Chile; doctor of literature from Columbia, and doctor of philosophy from Columbia. He is at present a trustee of Mills College.

Topic of his talk at the Community Dinner was not announced. Last year Almon E. Roth was the guest speaker.

COMMITTEES NAMED
Serving on the dinner committee will be the presidents of the seven co-operating organizations, in addition to the chamber of commerce. The organizations are Redwood City Women's Club, Business and Professional Women's Club, Exchange Club, Kiwanis Club, Lions Club, United Veterans Council and Redwood City Junior Chamber of Commerce.

Chairman of the dinner arrangements will be A. C. Argo; Amerigo Rossi will handle ticket sales, and James D. Hedge will be in charge of the reception committee.

Other business before the chamber directors included reports on industrial contacts by Winklebleck, a progress report on the Twelfth Night Community Bonfire, and a capitulation of the Children's Christmas Party by W. D. Ryan.

The board appropriated \$10 to the Lions Club for a trophy to be awarded in the yearly Outdoor Christmas Tree contest.

CORNED BEEF-TOMATOES
For something economical and tasty try this: brown some sliced corned beef in a little bacon fat. Then slip the slices on top of escalloped tomato mixture and bake 15 minutes in a moderate oven.

Charges Again Fly at Meeting

The question of whether homing pigeons are a nuisance or a blessing arose again Monday to plague the city council when opponents and proponents of the birds fired hot words at each other in the council chambers.

Central figures in last night's argument were two former contestants: Albert Bullivant, bird fancier and foremost proponent; Steven Duffy, who takes the opposite view. However, Bullivant produced a new ally. He is J. C. Doolittle, one of the first pigeon flyers on the Peninsula and an authority on homing pigeons.

Prior to arguments from the floor, Councilman Paul A. McCarthy reported that the committee investigating the necessity of an ordinance to control the keeping of various animals and birds within the city limits requested two weeks further to consider the problem.

FAMILY LEAVING TOWN
McCarthy, speaking for the committee composed of himself and Councilmen William Hohn and Harold F. Anderson, said the family which was the source of original complaints was leaving town, their pigeons with them.

Duffy again simply stated his case: That he and other members of Central Park and nearby districts "merely want restrictions in the first class residential districts;" that homing pigeons were a nuisance and should be controlled.

"With the exception of some large cities," Authority Doolittle told the council, "I know of no restrictions in smaller cities or towns to control homing pigeons."

He cited the amendment to the San Francisco ordinance on homing pigeons, which, when revised, allows lofts of racing pigeons in residential districts; he told of the value of pigeons in time of war and how they were used in the last World War.

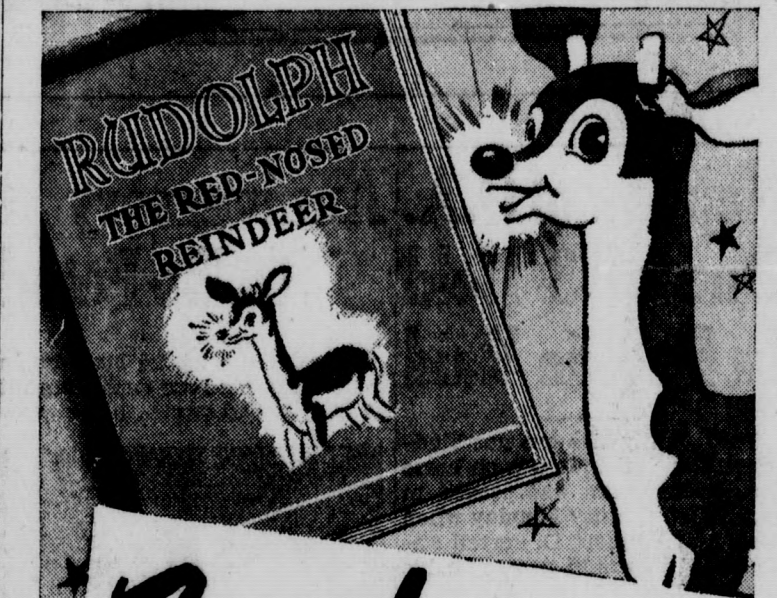

DENIES 'NUISANCE' CHARGE
Doolittle concluded his case by declaring that homing pigeons were not a nuisance; did not carry diseases if cared for in the way any pigeon fancier would care for them; and recommended that the council make a flexible ordinance, if any, in order to allow the birds the correct amount of exercise.

Bullivant, who has frequently

clashed with Duffy on the matter, quoted state and federal laws protecting the birds. Councilman McCarthy ruled his charges were irrelevant to the local problem, however.

Councilman Anderson summed up the situation by saying that the committee investigating the advisability of such an ordinance probably would draft the law in such a way that it would be effective only on complaint of two neighbors of the person harboring the alleged nuisances.

The Hebrew shofar, oldest type of horn, is the forerunner of the modern trombone, trumpet and French horn.

**'Far Tougher'
Problems Seen**

With a message from Governor Olson ringing in their ears, 200 members of Hi-Y Clubs of Northern California were back at their homes today after a weekend conference at Stanford University, where the governor's message was read.

Declaring that the problems confronting them are "far tougher" than those which their parents faced when they were the same age, Governor Olson told the youngsters that the world "stood waiting" for their services. "You are soon to enter a world of people," he said, "who are so distracted, frustrated and confused by their own difficulties making their livings that the special needs and problems of young people receive but scant attention."

He continued: "The job of building for a better democracy should be attacked as the problem of building yourself for a better democracy. As you advance into this world, you will discover the need for thoroughgoing reform. 'I trust that every one of you, as your bodies, your minds and your abilities mature, will hold close to the necessity for social reforms and that you will support them, using one or more of these methods of reform, each according to your talent and bent.'"

Theme of the 35th annual conference, at which Peninsula Branch of the Young Men's Christian Association was host, was "Building for Tomorrow." A number of speakers discussed various phases of the subject.

**Colored Women
Rob With Razor**

BURLINGAME, Dec. 4—Two colored women who Saturday night stabbed a Burlingame resident and robbed him of \$40 were still being sought today by police while the victim, Dan Sheridan, 56, of 1317 Paloma Ave., was recovering at Mills Hospital from deep wounds in the face and arm.

Sheridan, a machinist at the South San Francisco Bethlehem Steel Co. plant, said he was returning home shortly after 7:30 o'clock when he was accosted by the two Negro women, one of whom was described as being tall and slender, the other short and heavy-set.

When he attempted to hide his purse, which contained \$40 in cash, one of the women snatched it from him while the other slashed him with a sharp instrument—apparently a razor. The wound on his face extended from his cheek down across his jaw. Although Sheridan lost considerable blood, his condition was reported as satisfactory at the hospital.

Several Negro women were brought to the local police station after the stabbing, but the pair apparently had left town. San Mateo police said a man who refused to give his name, reported he had been robbed of \$140 last week in a similar incident.

The rebab of the Moors *of Northern Africa was the ancestor of our violin. It was played by plucking the strings until the eighth century, A. D., when the bow was invented.

Bright Industrial Prospects Are Seen

Bright industrial possibilities for Redwood City, particularly in the field of chemical manufacturing, were envisioned before the Redwood City Kiwanis Club here by A. G. Lang, superintendent of the Pacific Portland Cement Co.'s big plant here.

Describing in detail the various chemicals, such as salt, magnesia, caustic soda, bicarbonate of soda, that can be secured on

each side of the south end of San Francisco Bay, Lang declared that Redwood City was the hub of one of the country's greatest chemical-producing areas. Further development of the district, which already has several chemical plants, was seen by the speaker.

Henry A. Beeger was chairman of the meeting.

Evening Hours Due In Stores Dec. 16

So that Redwood City shoppers may not only have a full week of night Christmas buying, but an extra Saturday to boot, merchants have agreed to keep open till 9 p.m. beginning Saturday, Dec. 16, Secty. Roscoe D. Wyatt of the Redwood City Chamber of Commerce announced today.

It had previously been announced that the evening hours would be maintained starting

Monday, Dec. 18. Until a week from Saturday, however, most business houses will continue their regular hours, closing at 6 or whatever other time they are accustomed to, Wyatt said.

Canned lemon, grapefruit, orange and pineapple juice are excellent sources of vitamin C, say scientists.

**Speeders Are Fined
In Justice Court**

Arvey T. Hurst, attendant at Agnew state hospital, paid \$15 to Judge Edward I. McAuliffe last weekend on a State Highway Patrol charge of speeding 70 miles an hour on Bayshore Hwy. Julia L. Burbank, Palo Alto, paid \$10 for the same offense, and R. L. Kimball \$5 for 60 miles an hour.

Former Peninsulan Dies at Woodland

Mrs. Lela Malvina Scott, wife of William Scott of Woodland, died in that city Nov. 30 and was laid to rest on Monday in Cypress Lawn Memorial Park. Services were held at the Butler Funeral Home in San Francisco.

Mrs. Scott was educated in the Palo Alto public schools and lived in that community for 20 years. She moved from San Mateo to Woodland five months ago. She is survived by her husband and one son, William Jr., who live in Woodland; a sister, Mrs. Maud Natis of Palo Alto; a niece, Mrs. Edyth Jackson, and a nephew, Felix Natis, also residents of Palo Alto.

She was born in California 52 years ago.

Almost all metals are found imbedded in rock.

Lodge Membership Of Mrs. Nuckolls Restored by Court

By order of Superior Judge Maxwell McNutt, Mrs. Ethel J. Nuckolls, 1229 Middlefield Rd., Redwood City, companion of Sequoia Circle 1568, Companions of the Forest of America, has been restored to good membership with the honors of past chief companion plus payment of sick benefits demanded in her complaint. She was also relieved of all fines, assessments and dues to date and awarded \$25 court costs.

The judge's writ followed protracted legal skirmishing over Mrs. Nuckolls' complaint for reinstatement and \$15,000 damages against the order. Although the defendants, including local and grand circle officers, contested the suit, a stipulation was filed in court Tuesday agreeing that the writ of mandate should issue. Mrs. Nuckolls' victory was complete except for the damages claimed.

The petition for a writ was filed May 18 and set for hearing June 12. On that date the more than a score defendants moved to transfer the petition to San Francisco, demanded a change of answer, filed an answer and a demurrer.

On June 26 Judge McNutt denied the change of venue and demurrer, giving the defendants 20 days to answer. They countered with an appeal from the denial of the change of venue and filed an amended demurrer. Finally on Sept. 19 they submitted an answer, asking dismissal

Lynch Given Place On Highway Board

Appointment of Supervisor John A. Lynch as San Mateo County's representative on an organization committee for the Northern California Counties Highways Conference, newly-formed central agency for the co-ordination and assistance of county road programs, was announced in San Francisco Tuesday.

Controller Harold J. Boyd of San Francisco was empowered on Nov. 21 to name the committee. At that time, supervisors from 29 counties met in San Francisco. Boyd appointed Supervisor Leo C. Hammett of Stanislaus County as chairman. Other members are John M. Ratto, San Francisco; Gail D. Apperson, Marin; and W. T. Ellis, Yuba.

The committee will meet in San Francisco next week to incorporate and draw up a resolution which supervisors in the San Francisco area will be asked to ratify. The resolution would pledge each county to become a member of the conference.

and costs, and notice to set the case for trial was served.

In his order, Judge McNutt specified: (1) that Mrs. Nuckolls be restored to all rights and privileges as a member of the fraternal organization, (2) that she be installed as a past chief companion of Sequoia Chapter, with all honors, privileges, regalia, emblems thereof, (3) that she be cleared of all charges, fines, assessments and dues and that the records show such clearance, and (4) that she be given sick benefits for three weeks and \$25 court

'Baby Bandit' Ring Broken Up By Authorities

Combating an unprecedented juvenile auto theft ring, Redwood City police and deputy sheriffs today had jailed four more Redwood City youths, bringing total arrests to seven in the past three days. The seven boys have confessed to stealing approximately 23 cars in the past month.

Chief of Police C. L. Collins said two or three more suspects would be questioned.

Although the names of all the juveniles were withheld, Probation Officer Francis Robinson said all had been in difficulties before, one having been sent to

St. Vincent's School for Boys. Determined to stop the series of automobile thefts which have plagued Peninsula cities, he said he would recommend that several of the youths be sent to state reformatories.

CAUGHT IN ACT

Saturday night one of the ring was caught in a stolen car belonging to Fred Crumb, employee of the county engineer's office. His confession implicated another youth, jailed next day. The pair broke under questioning yesterday, and Maloney and Police Sgt. E. E. Douglass arrested two more boys yesterday morn-

ing, and two in the evening.

This morning the officers were searching for accessories and personal items taken from some of the cars. All of the machines have been recovered.

Only one machine, property of Ray Montoro, employee of Grace & Pierre's, El Camino Real cafe, was damaged. One tire was blown out, and a fog light and switch were taken from it. The light was recovered from a hiding place on Bay Rd.

PART OF LOT FOUND

The boys admitted stealing an automobile on Nov. 11 belonging to Arthur Walker of San Jose,

brother of Woodrow Walker, La Honda stage driver. From it were stolen two cameras, a set of tools, and a jacket. One camera was recovered at the home of one of the "baby bandit ring," and the other was located at a La Honda service station where the boys traded it for gasoline. The car was recovered in a marsh near the Port of Redwood City.

Two of the youths are grammar school students, two high school students, and two unemployed, according to Robinson. Their ages range from 14 to 18.

E. F. Russell of Sweet Home, Ore., is reported to be using a wagon that came across the plains as a covered wagon in 1852.

WATER INTO WINE

To remove wine stains, soak cloth as quickly as possible in cold water. If the stain refuses to yield, try the boiling water treatment used for fruit stains. Tight-

ly hold the cloth across a bowl, pour boiling water, held at a height of 2 feet, through the stain until it disappears. Often two persons are needed to do this, one holding the cloth as the other pours.

231 Sequoians On Honor Roll

Of the 231 Sequoia High School honor roll students during the first quarter, 15 of them made straight A grades in all of their subjects.

Sophomores, seniors and the girls commanded the academic situation during the quarter, completed just before the Thanksgiving vacation. Of the 231, 63 were sophomores, 62 seniors, 58 juniors and 47 frosh. There were 137 girls who received scholastic recognition; only 94 boys.

Twenty-two students placed in the four A classification, making B grades or lower in one other subject.

The straight A group included: Sophomores—Robert Dickson, Warren Salzman, Dixie Burnham, Mary Cardona, Charlotte Provin and Jane Roberts.

Juniors—Freeman Beech, Betty Gunn, Mary Leach, Louise Mona and Thomasine Nakone. Seniors—Isabel Garcia and Lydia Killpack.

Freshmen—Dorothy Gordon and Bill Lampton.

In the four-A classification: Juniors—Kenneth Straney, Bob Helfrich, Beth Childs, Eleanor Holzworth, Carolyn Mayo, Betty Lee Parish, Roberta Sahlberg, Rosaline Sanford, Virginia Simpson and Judy Moore.

Sophomores—Beverly Ayer, Dan Murphy, Howard Sahlberg, Dick Williams, and Alphonso Zermeno.

Seniors—Alberta Arends, Barbara Boles, Lucille Farrell and Wheeler Childs.

Freshmen—Fred Nicolai, Robert Conner and Hattie Barr.

The remaining 89 honorees had nothing below a B grade.

Deadline for 'Bonus'

Set for January 2nd

Local veterans' leaders today reminded former World War soldiers that Jan. 2, 1940, is the deadline for applying for adjusted compensation certificates. There are about 150,000 veterans who have never applied for the "soldiers' bonus." Every eligible veteran or their dependents may apply. Frank W. Thompson or any other service officer of the American Legion will assist in preparing an application.

NOTICE OF HEARING ON
PETITION TO LEASE
REAL PROPERTY
No. 7777—Dept. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of SCOTT F. ENNIS, sometimes known as SCOTT FREEMAN ENNIS, also sometimes known as SCOTT ENNIS, and also sometimes known as SCOTT FREEMAN PAUL ENNIS, deceased.

THE BANK OF CALIFORNIA, NATIONAL ASSOCIATION, executor of the last will and testament of Scott F. Ennis, sometimes known as Scott Freeman Ennis, also sometimes known as Scott Ennis, and also sometimes known as Scott Freeman Paul Ennis, deceased, having filed herein its verified petition praying for an order to lease certain real property of said estate in said petition and hereinafter described, and alleging that it will be for the advantage of said estate to lease said real property; NOTICE IS HEREBY GIVEN to all persons interested in the estate of Scott F. Ennis, sometimes known as Scott Freeman Ennis, also sometimes known as Scott Ennis, and also sometimes known as Scott Freeman Paul Ennis, deceased, to appear before the Superior Court of the State of California, in and for the County of San Mateo, Department No. 1 thereof, at the Courtroom in said County located in the City of Redwood City, on the 18th day of December, 1939, at 10 o'clock A. M., then and there to show cause, if any they have, why the real estate hereinafter described should not be leased by the executor, the Bank of California, National Association, for the period of twelve (12) months. The compensation for the use and occupancy of said premises shall be on a crop sharing basis upon the terms and conditions mentioned in the lease accompanying and made a part of the petition of said executor on file herein, to which petition reference is made for further particulars.

Said real estate is described as follows:

All that certain real property situate in the County of Fresno, State of California, and more particularly described as follows: Lots 50 and 51 of Eggers Colony, according to the map thereof recorded January 9, 1891, in Plat Book 4 at page 60 in the office of the County Recorder of said County.

Dated: December 7th, 1939.

2 Itinerants Perish In San Jose Blaze

SAN JOSE, Dec. 6.—Two men burned to death in an itinerant's shack beside Coyote Creek near Orvis Ave. here last night, and another escaped narrowly with his life. The victims were John Casey, 74, and Grant Hoffman, 72. Casey is believed to have a sister in South San Francisco. Saved from the flames was Ludwig Olson, 62.

Dep. Coroner Irving E. Minahan said the trio of old cronies had had an extended bout with a

Mother of R. C. People Passes Away

Mrs. Cordelia Ann Place, mother of J. Russell Place and Mrs. Kenneth W. Van Gundy of Redwood City, passed away suddenly Sunday at a hospital in Antioch. Mrs. Place lived in Redwood City in 1928 and 1929, and returned last summer to visit for several months with her son

and daughter. At the time of her wine jug when a spark from a wood stove ignited the flimsy flooring.

passing she was living with another daughter, Mrs. Elizabeth Hill, in Brentwood, Contra Costa County.

Mrs. Place was a native Californian of pioneer stock. She was born in Sierra City in 1876. Her father, John Scott, operated Sierra City's first hotel, built in historic gold-rush days. Her mother was Sierra County's first school teacher.

Mrs. Place was past matron of Sieraville Chapter, Order of Eastern Star.

Victim's Last Rites Are Held

Last rites were held Monday in the chapel at Cypress Lawn Cemetery at Colma for Frederick Black, 41, advertising salesman who committed suicide Saturday afternoon at his home on Upland Rd., Emerald Lake, apparently because of despondency over his inability to secure steady employment.

Mr. Black, who had lived at Emerald Lake for the past 2½ years, formerly was employed by the Golden Gate International Exposition, but had been selling encyclopedias for the past six months, the sheriff's office was informed. Before becoming associated with the exposition, he was advertising salesman for the San Francisco Examiner.

His death was discovered by Mrs. Black about 2:30 p.m. Saturday. She had been vacuuming rugs in her home, and when she turned off the electric sweeper, she could hear the sound of the motor of the family car in the garage adjoining the house. Investigating, she found her husband dead behind the car. He had slipped the sleeve of a raincoat over the exhaust, fixing it tight, then wrapped the coat around his head. Dep. Sheriff Eugene Cerqui was informed. Death was caused by carbon monoxide poisoning.

The note, addressed to Mrs. Black and marked "confidential," ascribed his act to his inability to find another advertising position, and asked that his body be taken to the Layng & Tinney Funeral Home, the deputy sheriff said. Otherwise its contents were not made public.

Mr. Black, a native of Ireland and a resident of this country since 1924, leaves two children, Beverly, 13, and Andrew 12; his mother, Elizabeth MacAdam Black of Ireland; a brother, Albert Black of Canada, and two sisters, Mrs. Gordon Simon and Miss Edith Black, also of Canada.

PROPOSED CONTRACTOR LAW ALTERED

Adoption of Redwood City Ordinance 431, licensing contractors, was postponed on Monday when four amendments were added to it by the city council.

A half dozen contractors, led by Peter Sorensen, attacked the ordinance as it was previously published, mainly on the grounds that the differentiation between the fees required from a general contractor with those of a jobbing contractor were not valid.

Resulted the following amendments:

1. Definition covering builders and general and jobbing contractors.
2. All contractors are required

to pay a \$25 license fee per annum.

3. Tree spraying contractors are exempt from amendment No. 2.
4. Contractors not living within the city limits of Redwood City must pay a minimum registration fee of \$10.

CEDAR STREET COST TO BE REDUCED

A plan in which cost to residents who have property on that part of Cedar St. between Stambaugh and Hilton, which is to be extended into a through street, will be split almost in half was proposed by City Manager C. L. Dimmitt at the city council meeting.

Nearly a dozen property owners in that area, headed by Dep. Dist. Atty. Louis B. Demattei, who was chief spokesman, protested that the assessment for acquisition of the land and construction of an unimproved street was too high.

Total assessment would amount to \$2295, according to figures prepared by Dimmitt, and individual assessments ran as high as \$185 in the case of E. A. Underhill, one of the lot owners.

Dimmitt suggested the council agree to write off \$884.54 as a total loss in delinquent taxes, special assessments, penalties, etc. on property owned by J. Lown and E. V. Royce in return for quit claim deeds and the removal of a house from the prop-

STUDENT ASKS DAMAGES
SAN MATEO, Dec. 4.—Glenn Jack, 16-year-old San Mateo High School student, has filed a \$25,000 claim for injuries assertedly suffered Oct. 19 last when he fell from a horizontal bar on the school grounds. Through his father, H. N. Jack of Lomita Park, the boy seeks restitution from the high school district, the county of San Mateo and the City of San Mateo.

St. Patrick, favorite saint of the Irish, was a Roman born in Wales.

The county also has over \$100 in delinquencies on the property, which also would be paid by the district in return for the quit claim deeds, Dimmitt said.

The city manager will report back to property owners at the next meeting of the council.
